

The image features large, bold, yellow text with a thick blue outline. The text reads "TAG DER OFFENEN TÜR" in all caps. The letters are slightly slanted and overlap each other. The background behind the text is a white surface with a dense pattern of small black dots, creating a halftone effect. Below the main title, there is a smaller yellow box containing the date "SEPT 12". To the right of the date, there is more text: "Tag der offenen" on one line and "14:30 -" on the line below. The overall design has a graphic, modern feel.
